WOOD GROUP MUSTANG HIRES NEW VICE PRESIDENT, BUSINESS DEVELOPMENT AND STRATEGY, CANADIAN REGION

Scott Rempel brings more than 20 years of experience in business development, account management, project management and marketing to his new role

CALGARY, AB, May 28, 2014 – Wood Group Mustang, a global project management, engineering, procurement, and construction management company, has appointed Scott Rempel to the position of vice president, Business Development and Strategy (VP BDS).

As VP BDS, Scott's primary responsibilities are to drive Wood Group Mustang's continued growth in Canada through the execution of business development initiatives, including identifying new opportunities, further developing existing client relationships, leading the Calgary business development team, and overseeing marketing and communications.

"We are very pleased to welcome Scott to Wood Group Mustang's Calgary team," says Kevin O'Brien, regional director Canada, Wood Group Mustang. "Scott brings considerable leadership and experience to his new role. As Wood Group Mustang continues to expand its presence in Canada, attracting the best people in the industry is a key differentiator in a competitive market. Assembling a team of talented individuals, united by a shared vision, is central to best-serving our clients."

"I am proud to be joining Wood Group Mustang," adds Scott. "I look forward to leveraging my experience in the energy sector and network of professional relationships in order to help achieve Wood Group Mustang's strategic objectives in Canada."

Previously in his career, Scott held senior management positions with two other energy service companies. A board member of the Canadian Heavy Oil Association (CHOA), Scott holds a master of business administration (MBA) degree from the University of Alberta, Haskayne School of Business and a bachelor of commerce (BComm) degree (Finance) from the University of Calgary.
